ALUMNI KEEP IN TOUCH WITH PAST CLASSMATES AND FRIENDS

The Advanced Technology Academy is starting an alumni association and needs your help. We are gathering information from our past students so we can get started. Fill out this brief survey to become an official member at NO COST to you!

We look forward to building this association so our past and present students can take advantage of an alumni network.

WHY START AN ALUMNI ASSOCIATION?

The Advanced Technology Academy Alumni Association will help alumni establish lifelong relationships with the Academy and with each other.

WHAT ARE THE BENEFITS OF JOINING?

The Advanced Technology Academy Alumni Association will **EDUCATE... INFORM... AND INVOLVE....** alumni and friends as stakeholders in the Academy.

- ▶ Alumni will be informed of Association programs and achievement.
- ▶ The Association will recognize individual and collective achievements of its members.
- ▶ The Association's membership is inclusive and diverse.
- ▶ The Alumni Association encourages participation in its programs, services and events.
- ▶ The Association will allow alumni and friends networking, programming and leadership opportunities.
- ▶ Alumni serve the Academy as ATA ambassadors in the community.

HOW WILL THIS BE ACCOMPLISHED?

- ▶ Through a website that is comprehensive, user-friendly resource for all alumni information.
- ▶ An E-Newsletter shares alumni information, programming opportunities, networks of common interest, celebrates successes.
- ▶ Multiple programs that create alumni interaction.
- ▶ Provide multiple opportunities to "give back" to ATA.
- ▶ Engage the community to support the mission of the Academy and the Alumni Association.
- ▶ Engage in career services programming to build an opportunity network.
